

8" Heavy Duty, Industrial Grade, Ergonomically Designed Centrifugal Blowers for *Non-Hazardous Locations*

8" Electric Blower
SVB-E8

| Model | Model No. | Speed | Free Air | 25' 1-90° Bend | 25' 2-90° Bends |
|-------------------------|-----------|---------|-----------|----------------|-----------------|
| Economy Blower (60 Hz) | SVB-E8EC | 1 Speed | 1,390 CFM | 931 CFM | 779 CFM |
| Standard Blower (60 Hz) | SVB-E8 | 1 Speed | 1,570 CFM | 1,047 CFM | 873 CFM |
| Standard Blower (50 Hz) | SVB-E850 | 1 Speed | 1,308 CFM | 873 CFM | 728 CFM |
| 2-Speed Blower (60 Hz) | SVB-E8-2 | High | 1,570 CFM | 1,047 CFM | 873 CFM |
| | | Low | 750 CFM | 490 CFM | 425 CFM |
| Gasoline Blower | SVB-G8 | High | 3,000 CFM | 1,725 CFM | 1,295 CFM |
| | | Low | 1,500 CFM | 1,040 CFM | 870 CFM |

Key Details:

- 8" intake and exhaust
- Non-sparking aluminum blower wheel
- Polyethylene fan housing & safety guards
- Molded polyethylene safety guards
- Powder coated tubular steel frame, dual handles

Applications

- Confined Space Entry
- Tank Entry
- Sewer Repair
- Construction & Maintenance
